Hi Suzanne:

I wanted to let you know that I'll need to put the end of year report into sign-off here by tomorrow at the latest. If you can get me any comments by the end of the day today, that'll be great. If not no worries, I'll put forward what I have so far. I've updated the cover letter so it's addressed to Jeremy Flynn, otherwise I haven't made any changes to the documents. I'm definitely not trying to rush you, but I did want to give you a heads up!

Thanks,

Claudia Niess

The files that I sent you are program only. Any changes that Claudia asked for, should be made on the Enforcement files. This year, we will have 2 templates as part of the grant evaluation.

We've completed our year-end review. As you know, our process is a bit different this year due to the realignment. The attached is a letter (with a summary) and a copy of the template is the program activities only. Enforcement related activities have been "hidden". Please review the attached files in the next day or two and let us know if you have any comments before we send them to headquarters.

Thanks.
